

PASSAMAQUODDY LODGE FAMILY NEWSLETTER

JANUARY 2018

HAPPY NEW YEAR!

We are currently closed to all visitors due to illness in the building.

INFLUENZA SEASON

We do encourage everyone to get the influenza vaccine if possible. Please remember not to visit the Lodge if you have any cold or influenza symptoms or if you have been visiting others who are sick.

If there is an outbreak in the community or facility, **we do close for visitation**, so it is recommended to **call and check** to see if we are open prior to visiting during this season.

If we are open, you will be **required to wear a mask** (available at reception) when visiting the Lodge during a flu outbreak **if you have not received the influenza vaccine**. Your visit will be **restricted** to visiting your **immediate family member**.

PLEASE REMOVE OUTER FOOTWEAR WHEN VISITING THE LODGE

Blue booties are provided at the front entrance for your convenience. Please remove outer footwear and bring shoes or put the booties on. Wet floors are a danger for our residents. Thanks!

We have included the **January Activity Calendar** for your information. Events do change occasionally so please feel free to call and check with the Activity Staff at 1-506-529-5240, extension 5245. We appreciate all the volunteers that come in to the Lodge to help entertain our residents and fill their days!
