

# **PASSAMAQUODDY LODGE NEWSLETTER - MARCH 2010**

## **NO SCENTS PLEASE**

We are a **scent free facility** and we would appreciate your cooperation in not wearing scented items in the building or bringing scented items to the residents. Please pass this information on to any family members you have that visit. We have several residents and staff members that are severely affected by scents. THANK YOU!!!!

## **Pharmacy**

Effective February 1, 2010, we have changed to Lawton's Drugs for our pharmacy services. As a result, there will be a change in the pharmacy billing on the resident trust statements. The billing from Lawton's Drugs is not received until the second week of the month so the pharmacy charges will be reflected on the resident trust statements in the following month. There will be no pharmacy charges on the February, 2010 resident trust statements. The February pharmacy charges will be on the March, 2010 trust statements. If you have any questions, please contact Kristen Stevens at 529-5240 ext 5243.

## **Valentine Tea & Sale**

Our Valentine Tea and Sale was a huge success. We had lots of sweets and goodies for sale and many customers. The Residents Council made \$336.30 from the sale, \$24.96 from donations and \$165.00 from the raffle basket. The basket was won by Dillon Lister and the proceeds will be donated to the Red Cross for Haiti relief as requested by the residents. Thanks to all for their support!

## **New Televisions**

The televisions are in place and are for the residents use mainly in the evening and on weekends when there are not as many activities planned. We are very grateful for the generous donation that made it possible to purchase these two units.

## **Special Occasions**

If you would like to book the front living room or multi purpose room for a special occasion such as a birthday party for a resident, please let Crystal Griffin know and she will help book the event on our calendar. These rooms are used frequently so book early! We will supply ice cream, tea and coffee for these types of functions. The front living room can accommodate approximately 20 guests and the multipurpose room can accommodate approximately 70-100.

## **Visiting Pets**

Please make sure you drop off your proof of vaccination at the front desk before you bring in your pet to visit. Also, with our resident cat Twinkles in mind, please keep all pets on leash. Thank you!

## **Emergency Measures Exercise**

We are practicing for our next EMO exercise scheduled for May 25, 2010 at 6:00 p.m. We will be having fire drills weekly to help us prepare. The exercise will involve simulated smoke and evacuation from one wing to a different fire zone. We will be using volunteers to act as residents.

We have included the **March Activity Calendar** on the reverse for your information. We appreciate all the volunteers that come in to the Lodge to help entertain our residents and fill their days!
