Influenza Season

We just wanted to remind everyone of the flu symptom again: cough, fatigue, generalized muscle aches, headache, sore throat, fever. Please refrain from visiting at the Lodge until all symptoms have passed.

Also, please do not visit for 48 hours after symptoms have cleared if you have persistent vomiting and diarrhea.

To help stop the spread of germs, please use the hand sanitizer located at the entrance every time you enter and leave the building.

Booties

We keep a supply of booties to place over your footwear when the weather is wet. Please help yourselves as we are always concerned about wet floors as these are dangerous for our residents.

Please sign our guest book located in the reception area when you visit the Lodge.

If you are taking your resident out please check with the Nurse and fill in the "sign out" book at the Nursing Station.
